

## Rajan Gupta

*Chief Competency Officer*

As Chief Competency Officer at Innova Solutions, Rajan Gupta leads the charter to strengthen the company's technology depth, domain expertise, delivery maturity, and learning ecosystem. He is responsible for building next generation competencies that support Innova's long-term growth strategy in an increasingly digital, cloud, engineering, and AI driven landscape.

Rajan brings 30+ years of global experience across Delivery Leadership, Digital Transformation, Technology Modernization, and Organizational Capability Building, with leadership exposure spanning the US, Europe, APAC, and India. Throughout his career, he has successfully led large-scale transformation programs and built high-performing global teams. His expertise includes modernization initiatives, cloud and digital transformation, offshore delivery center (ODC) setup and scaling, process excellence, and enterprise-wide capability development.

Prior to joining Innova, Rajan spent over 25 years at Coforge, where he served as Senior Vice President and Global Delivery Head across multiple industry verticals, including Travel & Transport, Healthcare, Automotive, Media, Manufacturing, and the Public Sector. Known for his customer-centric approach and collaborative leadership style, he has partnered closely with Fortune 500 clients to drive long-term relationships and strategic business outcomes.

Outside of work, Rajan enjoys fiction, values family time, and is a strong advocate of lifelong learning.
