About Innova Solutions

Innova Solutions is a global technology and talent partner specializing in transformative digital solutions. Founded in 1998, we empower client success through bold innovation, exceptional talent, and unwavering partnership - helping organizations modernize, scale, and deliver measurable technology outcomes. With the launch of AIFICIENT™, our enterprise AI offering, we embed intelligence across the full technology delivery lifecycle and close the AI outcome gap by turning ambition into measurable results. Combined with our deep talent communities across digital and AI product engineering, digital assurance, data engineering, cloud, and enterprise applications, AIFICIENT™ delivers meaningful impact at scale. Together, these capabilities enable our clients across industries to operate smarter and move faster in an AI-driven world.
